

**EK-1: REACH Tüzüğü Ek XIV – İzne Tabi Maddeler Listesi'ne yeni eklenen maddeler**

| Sıra No | Madde Adı                                                                                                                                                                                                                                                                                                                              | EC No.    | CAS No      | Son başvuru tarihi | Son kullanma tarihi |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-------------|--------------------|---------------------|
| 32      | 1-Bromopropane (n-propyl bromide)                                                                                                                                                                                                                                                                                                      | 203-445-0 | 106-94-5    | 4 Ocak 2019        | 4 Temmuz 2020       |
| 33      | Diisopentylphthalate                                                                                                                                                                                                                                                                                                                   | 210-088-4 | 605-50-5    | 4 Ocak 2019        | 4 Temmuz 2020       |
| 34      | 1,2-Benzenedicarboxylic acid, di-C6-8-branched alkyl esters, C7 rich                                                                                                                                                                                                                                                                   | 276-158-1 | 71888-89-6  | 4 Ocak 2019        | 4 Temmuz 2020       |
| 35      | 1,2-Benzenedicarboxylic acid, di-C7-11-branched and linear alkyl esters                                                                                                                                                                                                                                                                | 271-084-6 | 68515-42-4  | 4 Ocak 2019        | 4 Temmuz 2020       |
| 36      | 1,2-Benzenedicarboxylic acid, dipentylester, branched and linear                                                                                                                                                                                                                                                                       | 284-032-2 | 84777-06-0  | 4 Ocak 2019        | 4 Temmuz 2020       |
| 37      | Bis(2-methoxyethyl) phthalate                                                                                                                                                                                                                                                                                                          | 204-212-6 | 117-82-8    | 4 Ocak 2019        | 4 Temmuz 2020       |
| 38      | Dipentylphthalate                                                                                                                                                                                                                                                                                                                      | 205-017-9 | 131-18-0    | 4 Ocak 2019        | 4 Temmuz 2020       |
| 39      | N-pentyl-isopentylphthalate                                                                                                                                                                                                                                                                                                            | ---       | 776297-69-9 | 4 Ocak 2019        | 4 Temmuz 2020       |
| 40      | Anthracene oil                                                                                                                                                                                                                                                                                                                         | 292-602-7 | 90640-80-5  | 4 Nisan 2019       | 4 Ekim 2020         |
| 41      | Pitch, coal tar, high temp.                                                                                                                                                                                                                                                                                                            | 266-028-2 | 65996-93-2  | 4 Nisan 2019       | 4 Ekim 2020         |
| 42      | 4-(1,1,3,3-Tetramethylbutyl)phenol, ethoxylated<br>(covering well-defined substances and UVCB substances, polymers and homologues)                                                                                                                                                                                                     | ---       | ---         | 4 Temmuz 2019      | 4 Ocak 2021         |
| 43      | 4-Nonylphenol, branched and linear, ethoxylated<br>(substances with a linear and/or branched alkyl chain with a carbon number of 9 covalently bound in position 4 to phenol, ethoxylated covering UVCB- and well-defined substances, polymers and homologues, which include any of the individual isomers and/or combinations thereof) | ---       | ---         | 4 Temmuz 2019      | 4 Ocak 2021         |
