

EUROPEAN COMMISSION  
Directorate-General for Trade

## NOTE VERBALE

The Directorate-General for Trade of the European Commission presents its compliments to the Permanent Representation of Türkiye to the European Union and has the honour to refer to the anti-dumping measures currently in force on imports of ceramic tiles originating, inter alia, in Türkiye as imposed by Commission Implementing Regulation (EU) No 2023/265 of 9 February 2023<sup>1</sup>.

The Commission has assessed a request from a Turkish exporting producer group for new exporting producer treatment according to Article 2 of Commission Implementing Regulation (EU) No 2023/265. The European Commission now has the honour to provide the Permanent Representation of Türkiye to the European Union with the general disclosure document on its assessment of the request and the intended course of action. This document was disclosed to the interested parties which were given the opportunity to make comments by 26 March 2024.

The Directorate-General for Trade of the European Commission takes this opportunity to renew to the Permanent Representation of Türkiye to the European Union the assurance of its highest consideration.
